	Docket No:	GJ-268J

Dear Sir:

Enclosed is a Petition to Move Response to the Correct Patent Application in connection with the subject patent application, pursuant to 37 C.F.R. §1.182 or other applicable section. On January 28, 2008 the applicant timely filed a Response to the Office Action mailed October 29, 2007 in the subject patent application, but the Response, cover letter and postcard unintentionally included an incorrect serial number (10/522,907) such that the Response was scanned and entered in the latter patent application.

Please charge any fees or payments due, including petition fees or extension of time fees (if necessary) or any other fees due in the subject patent application, to my Deposit Account No. 09-0002. A copy of this letter is enclosed for use by the Finance Branch to make any charge or credit to my deposit account.

If for any reason this Request is found to be INCOMPLETE, or if at any time it appears that a TELEPHONE CONFERENCE with counsel would help advance prosecution, please telephone the undersigned or his associates, collect in Waltham, Massachusetts, at (781) 890-5678.

In addition, pursuant to Rule 1.136(a)(3), the Office is hereby authorized to treat any future reply requiring an extension of time as incorporating a request therefor. Also, any request or Petition for an Extension of Time notwithstanding an inadvertent reference in the Petition to a shorter period of time is to be treated as requesting the appropriate length of time.

Kindly acknowledge receipt of the foregoing by returning the enclosed self-addressed postcard.

PETITION TO MOVE RESPONSE TO THE CORRECT PATENT APPLICATION
(and to Accord the Filing Date of the Response)

Pursuant to 37 C.F.R. §1.182 or other applicable section, the applicant requests that the Response filed by the applicant on January 28, 2007 (in response to the Office Action mailed October 29, 2007) be moved *from* U.S. Pat. App. Ser. No. 10/522,907 *to* this patent application, namely U.S. Pat. App. Ser. No. 10/552,907. The applicant further respectfully requests that the Response be accorded the date of mailing, namely January 28, 2008, as the date of filing.

On October 29, 2007, a non-final Office Action was mailed in the subject patent application.

On January 28, 2008, the applicant timely filed a Response to the October 29, 2007 Office Action.

On January 30, 2008, the applicant's Response was scanned into U.S. Pat. App. Ser. No. 10/522,907. (A copy of the scanned documents is attached, as well as a copy of the date-stamped post card for the subject Response)

On June 5, 2008, Examiner Upton, Examiner for U.S. Pat. App. Ser. No. 10/552,907 telephone the undersigned concerning the application, and the error was discovered.

In the Response, cover letter and postcard, the undersigned unintentionally included the incorrect serial number, namely Ser. No. 10/522,907, instead of the correct Ser. No. 10/552,907. Consequently, the Response was scanned into the '522 application instead of the '552 application.

Wherefore, the applicant respectfully requests that the Response be moved *from* patent application Ser. No. 10/522,907 *to* the subject patent application Ser. No. 10/552,907.

The applicant further respectfully requests that the Response be accorded the date of January 28, 2008 as the filing date.

If for any reason this Petition to Move Response to the Correct Patent Application (and to Accord the Filing Date of the Response) is found to be incomplete, or if at any time it appears that a telephone conference with counsel would help advance prosecution or this matter, please telephone the undersigned or his associates, collect in Waltham, Massachusetts, (781) 890-5678.

Respectfully submitted,

Thomas E. Thompkins, Jr.
